CE Declaration of Conformity

We Spraymation Inc. declare that the industrial equipment products listed below:

130, 131, 133, 306228 and 306264 are cold, low pressure, medium speed fluid dispensing valve used to dispense adhesives or other fluids in industrial applications.

See GR 100 and specific assembly drawing for full installation and operating instructions.

This item conforms to the following standards, directives or publications:

Standard	Date	Standard Title
2006/95/EC	2006	Low Voltage Directive
2006/42/EC	2006	Machinery Directive
EN-60204-1	2006	Electrical Equipment of industrial Machines
EN-982	2009	Safety of Machinery - Hydraulics
EN-983	2009	Safety of Machinery - Pneumatics

Spraymation is registered ISO9001:2008 by LGA, certificate #QM_1922774 that expires on 1/12/2016.

CE mark is displayed on this item.

Design and Safety data are complete for this item, have been reviewed, are current, and conform to the standards and details listed above. The manufacturing and testing documents support and will maintain the indented design and quality.

Approved David Kerzel
Title Chief Engineer
Date Approved April 14, 2015

This CE Declaration of Conformity may be used with new items until April 14, 2014 when the design, safety data, standards and directives must be reviewed.
